

Discussion on 'Driving business with knowledge' held

A discussion on 'Driving business with knowledge' was held on 31 August at the Seminar Hall in International Convention City Bashundhara (ICCB).

Bangladesh Textile Today and CEMS Global jointly organized the discussion on the sidelines of the 17thTex Tech International Expo Bangladesh being held at the ICCB.

The distinguished guests at the panel discussion were the Honorable Founder Member of Board of Trustees, BUFT Mr. Faruque Hassan, Sr. Vice President of BGMEA & Managing Director of Giant Apparels Ltd, Dr. N.N. Mahapatra, National Vice Chairman of Textile Association, India, Engr. Tarek Amin, CEO of Amin Jahan Corporation & Editor, Bangladesh Textile Today. The panel discussion was moderated by Pro-Vice Chancellor of BUFT Prof. Dr. Engr. Ayub Nabi Khan.

Important issues, including RMG export target of US\$50 billion by 2021, sustainable textile product, fashion, importance of enhancement of knowledge of the new graduates and professionals, were discussed at the seminar. In the discussion all agreed that collaborative approach between industry, trade associations and universities are needed for building knowledge-based community of students and professionals for the sustainable development of RMG and textile sector of Bangladesh.
