

BUFT, Reed Consulting (Bangladesh) Ltd. and Omnibrand Ltd. in an Academic Collaboration

Figure 1. From the left Dr. Mohammad Abbas Uddin, Prof. Dr. Engr. Ayub Nabi Khan, Mr. Muzaffar U. Siddique and Most. Setara Begum with the interns.

29th January 2017, an internship allowance and certificate giving ceremony held at the conference room of BGMEA University of Fashion & technology (BUFT). The total intern students were eleven (11) from undergraduate (B.Sc in TE) and two (02) from post-graduate (MBA), respectively. The sum of USD 200 (Two hundred dollars) was received by each intern student for the round two months. Mr. Muzaffar U. Siddique, Founder Chairman, Board of Trustees (BOT), hand over the certificates and cheques to the students. The Principal Engineering Consultant Dr. Mohammad Abbas Uddin from “Reed Consulting Bangladesh Ltd.” was also present during the program. The internship was conducted in a renowned organization “Texeurop (BD) Ltd.” a 100% export oriented knit composite industry and as a part of the MoU activities already signed between BUFT and Omnibrand Ltd. under the supervision of “Reed Consulting (Bangladesh) Ltd.”. The agreement is aimed to develop the academic and practical knowledge to the faculty members and students of BUFT through workshops, seminars and internship. There are three workshops also designed and scheduled to organize under this project, co-sponsoring by both.

In the ceremony among others Prof. Dr. Engr. Ayub Nabi Khan, Pro-Vice Chancellor of BUFT and Setara Begum, Assistant Professor, Department of Textile Engineering, BUFT were present.
