

BGMEA University of Fashion & Technology (BUFT) arranged a seminar entitled "Opportunities of Higher Education & Research in USA" on 26th January 2017. The purpose of this seminar was to highlight the scope and application processes for faculties and students to US universities.

The keynote speaker of the seminar was Dr. Golam M. Mathbor. He is the President of AIBS and currently Chair of the Department of Philosophy, Religion, and Interdisciplinary Studies at Monmouth University, New jersey, USA. Dr. Mathbor emphasized on the opportunities of research and higher studies in US universities. He also mentioned how AIBS contribute potential Faculties, researchers, and students by providing various fellowship opportunities. At the end, he welcomed the interested parties to AIBS for any kind of assistance related to research and higher studies in USA.

Professor Dr. Engr. Ayub Nabi Khan, Pro-VC of BUFT chaired the seminar program. In conclusion, he delivered a speech highlighting the key points of the lecture. He thanked the speaker for his kind presence and excellent lecture. Faculty members from various departments also participated in the seminar.
