

BUFT Arrange Internship Training for German University Students

Under the Education Collaboration Agreement with Niederrhein University, Germany, as a part of student exchange programme BGMEA University of Fashion & Technology (BUFT) offered Internship training to 6 students of Niederrhein University from 8th March, 2017 to 23rd March, 2017 in some renowned factories of Bangladesh like Viyellatex Group, Columbia Garments Ltd., M&J Group, Utah Group etc. This Internship training will help German students to get practical & technical knowledge as well as explore new dimensions, challenges, scopes & opportunities in RMG, Textile and Fashion sector of Bangladesh. This will also will help to learn engineering, human resource and business activities being carried out in industrial organization.

The foreign students had a courtesy meeting with Mr. Muzaffar U. Siddique, the Founder Chairman, Board of Trustees, BUFT, while Prof. Dr. Nizamuddin Ahmed, Vice Chancellor and Prof. Dr. Engr. Ayub Nabi Khan, Pro-Vice Chancellor were present.
